

## Customer WITNESS Software CLICK WRAP License (May 2017)

**Do not install this software or click on the "ACCEPT" option below until you have read and accepted all the terms of this License for WITNESS Software product ("Software") which includes printed materials and online documentation ("Documentation") which will bind you (the "Licensee") and your employees. If you do not agree to the terms of this License we are unwilling to license the Software to you and you must discontinue installation now by clicking on the "DECLINE" option below. In this case you must return the medium on which the Software is provided and all Documentation to the Seller. If you do this your License fee will be refunded. The owner of the Software is Lanner Group Limited of Forward House, 17 High Street, Henley-in-Arden, Warwickshire B95 5AA, United Kingdom ("Owner").**

### 1. The License

- a. Grant: The Owner, its agent or reseller ("Seller") grants the Licensee a non-exclusive, non-transferable license to use the Software upon the terms and subject to the conditions of this License and without any right to sub-license.
- b. Users and Period Restrictions: The number of concurrent users and the period for which the Licensee may use the Software is limited to the maximum number of concurrent users and the period for which a license has been purchased as controlled by the hardware lock device, license administration software, and/or a license authorisation key ("Security Device") which enables the Software to operate. Use of the Software without the required Security Device is prohibited and the Licensee may not take any steps to circumvent such Security Device.
- c. Installing the Software on a virtual machine: If Licensee installs the Software on a virtual machine, it shall manage all Software licenses residing on its virtual machines as conscientiously, and according to the same criteria, as those deployed on physical machines and ensure that it has all necessary license management resources and procedures in place to monitor and manage compliance with its obligations under this agreement.
- d. Use Restrictions: This License entitles the Licensee to install and use the Software on the target hardware from time to time specified in the System Requirements section of the Installation Guide and/or, subject to clause 1 c, on a virtual machine. Such installation and use shall be:
  - i. solely within the site or sites specified as the licensed location in the documentation comprising the Seller's quotation ("Licensed Location"); or
  - ii. remotely by employees whose principal place of work is at a Licensed Location.
- e. Additional License Required: Without first obtaining the Seller's prior written consent for which an additional license fee shall be payable, the Licensee may not use the Software for the purposes of providing:
  - i. training, education or consultancy services for remuneration if the Licensee's normal business is education; or
  - ii. a software as a service offering, commonly known as SaaS.
- f. Use Monitoring: The Owner may embed a software security mechanism within the Software to verify the Licensee's compliance with this License. Such security mechanism:
  - i. shall be capable of storing data relating to the usage of the Software and the number of times it has been copied, and may communicate with computers controlled by the Owner over any type of communications link to exchange communications and report data relating to the usage of the Software and the number of times it has been copied; but
  - ii. shall not have access to any customer business data and there will be no transport of Personal Data as that phrase is defined in the Data Protection Act 1998 or where relevant, as defined in directive 95/46/EC of the European Parliament and the Council of 24 October 1995 as implemented in each State of the European Union to which such use monitoring may be subject.

## **2. Annual Support**

- a. Subject to due payment of the agreed annual support fee (the "Annual Support Fee") the Seller shall supply generally available enhancements to the Software at its discretion and a telephone and email advisory service during the Seller's normal business hours (the "Annual Support").
- b. The Seller shall not be obliged to provide Annual Support services when it is requested as a result of misuse of the Software, operator error or failure by the Licensee to use enhanced versions of the Software provided by the Seller.
- c. For the purpose of providing Annual Support services, the Licensee will, when requested by the Seller, reproduce the symptoms of any error or defect on request and obtain further diagnostic information and will allow access to the Software by the Seller or its employees.

## **3. Payment**

- a. Where the License Fee or the Annual Support Fee is not paid by the Licensee at the time the Software is obtained from the Seller the License Fee or the Annual Support Fee will be payable within the number of days specified in the Seller's invoice unless otherwise agreed in writing by the Seller.
- b. The Seller reserves the right to charge the Licensee interest on payments received late at an annual rate of 4% over the Bank of England base lending rate or, for sales made in the USA, at an annual rate of 4% over the Federal Reserve Prime rate.

## **4. Licensee's Undertakings**

- a. The Licensee shall comply with the terms and conditions of use applicable to any software security device as from time to time notified to the Licensee.
- b. The Licensee shall neither make any modifications or additions to nor shall it duplicate the security device or the Software nor attempt to reverse engineer, decompile or disassemble the Software except as permitted by law.
- c. The Licensee shall effect and maintain adequate security and monitoring measures to ensure compliance with the terms of this License by its employees and all those who have access to the Software and that such security measures shall be at least as stringent as best industry practice.

## **5. Copyright, Patents, Trade Marks and Other Intellectual Property Rights**

- a. The Licensee acknowledges that any and all of the copyright, trademarks, trade names, patents and other intellectual property rights subsisting in or used in connection with the Software and the Documentation are the sole property of the Owner or of a third party from which the Owner has acquired the right to use and license the use of software.
- b. The Licensee may not use any trade name, trademark or logo of the Owner without the Owner's prior written agreement, application for which may be made to the Company Secretary at the address shown above.

## **6. Revised versions**

Any revised version of the Software provided to the Licensee by the Owner from time to time shall be subject to the provisions of this License.

## **7. Language**

This agreement is drafted in the English language. If this agreement is translated into any other language, the English language text shall prevail.

## **8. Acknowledgement**

The Licensee acknowledges that the Software has not been developed to meet its individual requirements, and that it is therefore the Licensee's responsibility to ensure that the facilities and functions of the Software as described in the Documentation meet its requirements.

## **9. Waiver and Amendment**

Any waiver, amendment or modification of any of the provisions of this Agreement or any right, power or remedy hereunder shall not be effective unless made in writing and

signed by the parties. No failure or delay by either party in exercising any right, power or remedy with respect to any of its rights hereunder shall operate as a waiver of that right, power or remedy.

## 10. Entire Agreement

This Agreement along with any exhibits and attachments hereto constitutes the entire understanding and agreement between the parties and supersedes all prior or contemporaneous correspondence, offers, negotiations, agreements or other communications between the parties relating to the subject matter of this Agreement.

## 11. Warranty

- a. The Seller warrants that the Software will perform as described in the Documentation in all material respects. The Documentation includes, but is not limited to, the on-line help system supplied as part of the Software. The Licensee will be solely responsible for satisfying itself as to the suitability of the Software for its purpose and for the results it obtains from the use of the Software. **No warranty is given that the Software is fit for any purpose (whether or not made known to the Seller) other than as indicated in the Documentation.**
- b. The Licensee acknowledges that software in general is not error-free and agrees that the existence of such errors shall not constitute a breach of this License. **This acknowledgement does not affect statutory rights.**
- c. If the Software fails to perform as described in the Documentation in any material respect during a period of 90 days from delivery the Seller may, at its sole option, either replace the Software free of charge, or require the return of the Software and refund to the Licensee the License and Annual Support Fees subject to the Seller receiving written notice of any defect from the Licensee within 14 days of the Licensee becoming aware of any such defect; and the Software having been properly and correctly used by the Licensee.
- d. The Seller warrants that the Annual Support services to be performed by the Seller will be performed with due care and skill by appropriately experienced personnel.

## 12. Seller's Liability

- a. Except in the case of fraudulent misrepresentation, death or personal injury caused by the Seller's negligence or any other cause for which it is unlawful for the Seller to exclude or limit its liability the provisions of clauses 9b and 9d below shall apply.
- b. The Seller shall not be liable for any claims for economic loss, loss of profit, or any other indirect or consequential loss suffered by the Licensee whether in contract or in tort arising out of or in connection with this License.
- c. Subject to the limitation at sub-clause d below, The Seller shall indemnify the Licensee against all liabilities, costs, expenses, damages and losses (including reasonable legal costs and expenses) suffered or incurred by the Licensee arising out of or in connection with any claim made against the Licensee for actual or alleged infringement of a third party's intellectual property rights arising out of or in connection with the Licensee's lawful use of the Software.
- d. **The liability of the Seller for any claim for injury, loss or damage made by the Licensee against the Seller whether in contract or in tort (including negligence on the part of the Seller or its employees) shall be limited to 150% of the amount paid by the Licensee for the Software and/or Annual Support services to which the Licensee's claim relates (which shall in the case of Annual Support be taken as the amount paid for such services for the twelve month period immediately preceding the occurrence of the event giving rise to the claim) in respect of any single occurrence or series of related occurrences.**

## 13. Termination

- a. The Seller may by notice in writing to the Licensee terminate this License if the Licensee is in breach of any term, condition or provision of this License and fails to remedy such breach (if capable of remedy) within 10 days of having received written notice from the Seller specifying such breach.

- b. Termination, howsoever or whenever occasioned, shall be without prejudice to the rights of either party against the other subsisting at the date of termination.

#### **14. Applicable Law**

This agreement and any dispute arising out of or in connection with it or its subject matter shall be governed by and construed in accordance with the law of England and Wales.

### **FOR SALES MADE IN THE UNITED STATES OF AMERICA CLAUSES 11, 12, 13 AND 14 SHALL BE REPLACED WITH THE FOLLOWING:**

#### **11. (USA sales only) Warranty and Remedies**

- a. **Limited Software Warranty.** For 90 days from the date of shipment, the Seller warrants that the media (for example, CD) on which the Software is contained will be free from defects in materials and workmanship. This warranty does not cover damage caused by improper use or neglect. The Seller does not warrant the contents of the Software or that it will be error free. The Software is furnished "AS IS" and without warranty as to the performance or results the Licensee may obtain by using the Software. The entire risk as to the results and performance of the Software is assumed by the Licensee. To obtain warranty service during the 90-day warranty period, the Licensee may return the CD (postage paid) with a description of the problem to the Seller. The defective CD in which the Software is contained will be replaced at no additional charge to the Licensee.
- b. **Remedy.** If the Licensee does not receive a CD which is free from material defects in materials and workmanship during the 90-day warranty period, the Licensee will receive a refund for the amount the Licensee paid for the Software returned.

#### **12. (USA sales only) Disclaimer of Warranty and Limitation of Remedies**

**You understand and agree as follows:**

- a. **The warranties in this agreement replace all other warranties, express or implied, including any warranties of merchantability or fitness for a particular purpose. The Seller disclaims and excludes all other warranties. In no event will the Seller's liability of any kind include any special, incidental or consequential damages, including lost profits, even if the Seller has knowledge of the potential loss or damage.**
- b. The Seller will not be liable for any loss or damage caused by delay in furnishing the Software or any other performance under this Agreement.
- c. The Seller's entire liability and the Licensee's exclusive remedies for the Seller's liability of any kind (including liability for negligence except liability for personal injury caused solely by our negligence) for the Software covered by this Agreement and all other performance or non-performance by the Seller under or related to this Agreement are limited to the remedies specified by this Agreement.
- d. Some states do not allow the exclusion of implied warranties, so the above exclusion may not apply. This warranty gives the Licensee specific legal rights and the Licensee may also have other rights which vary from state to state.

#### **13. (USA sales only) Termination**

This Agreement is effective until terminated. The Licensee may terminate it at any time by destroying the Software, including all computer programs and documentation, and erasing any copies residing on computer equipment. This Agreement also will terminate if the Licensee does not comply with any terms or conditions of this Agreement. Upon such termination the Licensee agrees to destroy the Software and erase all copies residing on computer equipment.

#### **14. (USA sales only) Applicable Law**

This License shall be construed in accordance with the laws of the State of Texas and subject to the jurisdiction of the courts of the State of Texas.
